

GLIMPSE™ INTUITIVE SKIN CARE is a choice with intention...the intention of treating your skin with pure, holistic skin care...a glimpse of a new beginning.

With Glimpse Intuitive Skin Care, XanGo is creating the category for topical skin nutrition with mangosteen. Glimpse is intuitive with self-adjusting formulations designed to address your skin's ever-changing needs.

Under current trends, an average of over 160 chemicals are absorbed through our skin every day.ⁱ Alternatively, Glimpse Skin Care empowers you with nutrient-rich botanicals, vital safety and rare purity.

XanGo is utilizing the latest breakthroughs in green chemistry to bring you Glimpse. Through a sophisticated combination of botanical phytonutrients and green technology, Glimpse Skin Care eliminates the use of destructive toxins and enhances bionutrient effectiveness. Glimpse Skin Care empowers you with safety and pure skin nutrition.

Why is this important? Skin will perform at optimal levels when daily regimens provide antioxidants and bioavailable nutrients while calming the signs of inflammation and minimizing the visible signs of aging.

The meticulously created formulas of Glimpse Skin Care feature BioActive X³ Complex™ with antioxidant levels measuring up to 30 times those of green tea.ⁱⁱ In-vitro tests additionally show that BioActive X³ Complex calms the signs of inflammation, promotes natural luminosity, and protects your skin against oxidizing effects of free radicals.ⁱⁱⁱ Anyone who desires holistic, healthy and pure nutrition for their skin will lose themselves in the experience we call Glimpse.

HEALTH OR HARM

Studies reveal that every single one of us is contaminated with scores of synthetic chemicals that are known to be toxic.¹

In a 2005 Skin Deep report, research found that 33% of personal care products were linked to cancer, 45% were found as possibly harmful to the reproductive system or baby's development and 60% could act like estrogens or disrupt hormones.²

Toxic chemicals linked to cancer, birth defects and learning disabilities do not belong in products we use on our bodies.

XANGO LEADS

Our Inspiration - Mangosteen

The mangosteen holds many secrets—anti-aging is one of them.

Exclusively Yours - BioActive X³ Complex™

Patents pending BioActive X³ Complex is shown to calm the signs of inflammation, promote natural collagen production, and protect the skin against the oxidizing effects of free radicals.³ BioActive X³ Complex offers greater anti-oxidant potency than vitamin C, resveratrol, CoQ10, green tea catechins and astaxanthin.⁴

Extraordinary - Biofermentation

The phytonutrient power of mangosteen is amplified through proprietary Japanese biofermentation technology.

A Breakthrough - Green Chemistry

Glimpse is creating a new skin care standard—performance driven and toxin free. In using Glimpse, consumers will not be exposed to endocrine-disrupting chemicals that may have devastating effects.

SKIN NUTRITION RESULTS

Harnessing the nutrient-rich gifts from the mangosteen, Glimpse works intuitively with your own skin to produce visible results: firm, supple, radiant and healthy-looking skin.

- Helps to renew, repair and resist skin damage
- Promotes luminous glow and younger looking skin
- Reveals a clearer, brighter and more radiant complexion
- Helps stimulate skin cells assisting natural collagen production
- Relieves the appearance of redness and inflammation
- Helps maintain and enhance skin's youthful firmness and elasticity
- Defends against aging and skin damage caused by environmental harm

Designed to provide optimal nutrients for normal to combination skin, Glimpse System II features a simple 4-step regimen with phytonutrient-rich BioActive X³ Complex in every formula. Botanical performance ingredients further provide the nutrients to calm and soothe overactive skin, gently refine skin tones and bring a healthy, luminous complexion.

Glimpse System II includes Gel Cleanser, Toner, Serum and Moisturizing Lotion.

Pricing: Wholesale \$150 150 PV Retail \$200

PRODUCTS

Step 1: Creamy Cleanser

Rich in BioActive X³ Complex™ and a multitude of fruit seed oils, Glimpse sulfate-free Creamy Cleanser gently but effectively draws out dirt and makeup, while soothing skin and calming the signs of inflammation.

DIRECTIONS: Massage over face and neck. Rinse with water.

Step 1: Gel Cleanser

Glimpse sulfate-free Gel Cleanser thoroughly removes dirt, makeup and impurities without overstripping the skin. The calming effect of BioActive X³ Complex is enhanced by soothing botanicals, leaving skin feeling completely refreshed.

DIRECTIONS: Lather well and massage over face and neck. Rinse with water.

Step 2: Toner

Glimpse Xanthone Toner restores skin's pH and delivers the first layer of protection and collagen-building phytonutrients from BioActive X³ Complex. Glimpse Xanthone Toner benefits all skin types by providing concentrated levels of BioActive X³ Complex and enhancing absorption of serum and moisturizer.

DIRECTIONS: Shake well. Spray over face and neck.

Step 3: Serum

With over 30 times the antioxidant activity than that of green tea, BioActive X³ Complex is combined with supportive botanicals to provide responsive, bioavailable topical nutrition developed to remind skin cells to behave young again. Newly energized skin responds with maintaining the skin's elasticity, improved clarity and luminosity. Glimpse Serum provides visible improvement from the signs of aging while reinforcing skin's natural defenses.

DIRECTIONS: Shake well. Gently smooth over face and neck.

Step 4: Moisturizing Cream

BioActive X³ Complex and handcrafted fruit seed oils provide vital phytonutrients and rich hydration. Glimpse Moisturizing Cream also safeguards the skin under various environmental conditions and assists in calming, soothing and moisturizing the skin to maintain the skin's natural elasticity, resulting in more radiant luminous skin.

DIRECTIONS: Apply over face and neck.

Step 4: Moisturizing Lotion

BioActive X³ Complex, in combination with a multitude of powerful reparative botanicals, supports skin's natural renewal processes by calming and soothing as well as safeguarding the skin under various environmental condition. Glimpse Moisturizing Lotion supports clean, healthy skin, minimizing the appearance of pores while improving tone, texture and luminosity.

DIRECTIONS: Apply over face and neck.
